

## **The Clark Group Becomes Certified as a Woman-Owned Small Business**

The Clark Group is announcing its recent certification as a Woman-Owned Small Business (WOSB) with the United States Small Business Administration, says Laura Sands, Managing Partner of the Washington, D.C.-based consulting firm.

The Clark Group LLC currently has offices in Wyoming, Vermont and Washington, D.C. The group has several lines of business, including a federal agency practice, sustainability solutions and public policy advocacy and development.

“We are thrilled to be certified as a woman-owned small business,” said Sands. “We look forward expanding our company and continuing our efforts on behalf of our clients.”

In addition to Sands, current owners of The Clark Group LLC include Chelsea Henderson, Lisa Mahoney, Sara Hessenflow-Harper, Brian Kuehl and Chris Conrad.

The Clark group is registered with Central Contractor Registration (CCR) [www.uscontractorregistration.com](http://www.uscontractorregistration.com), and the Online Representations and Certifications Application (OCRA), [orca.bpn.gov](http://orca.bpn.gov) and is also listed on the General Services Administration Schedule under the GSA Specialty Item Number (SIN) 899-1 Environmental Planning Services and Documentation, and SIN 899-3 Environmental Training Services.
